# COOKIES & WAFERS PRODUCTION

Confectionery factory «Lagoda» is one of the largest producers of confectionery products in Ukraine, founded in 1998.

The company is certified in compliance with the FSSC 22000 scheme, which includes the requirements of ISO 22000:2018 and ISO/TS 22002-01:2009.

Confectionery factory «Lagoda» produces both bulk and packaged products, including cookies, biscuits, sandwich cookies with filling, glazed cookies, wafers, and wafer candies. We also produce diabetic products with fructose. Our company was the first in Ukraine to produce cookies for babies starting from 6 months old. The product range includes almost 100 recipes.

Private Label production is an important part of our business. With years of experience in production and sales in Ukraine and abroad, we are eager to offer you the opportunity to produce confectionery products under your Private Label brand.
